TERMINAL DISCLAIMER

Pursuant to 37 C.F.R. § 1.321(b) the undersigned attorney of record is empowered to act on behalf of the inventors, Kristina Brolidin and Magnus Westgren.

The inventors represent that they are the owner of the entire right, title and interest to the above-captioned application, which claims the benefit of priority to U.S. Patent Application No. 09/447,693 and Swedish Patent Application No. 9804022-3.

The inventors also represent that they are the owner of the entire right, title and interest to U.S. Patent Application No. 10/200,616, which claims the benefit of priority to U.S. Patent Application No. 09/447,693 and Swedish Patent Application No. 9804022-3.

The inventors represent that, to the best of their knowledge and belief, title is in the inventors seeking to take action.

The inventors hereby disclaim, except as provided below, the terminal part of any patent granted on the above-captioned application which would extend beyond the expiration date of the full statutory term of any patent that issues from U.S. Patent Application Serial No. 10/200,616, and hereby agrees that any patent so granted on the above-captioned application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent that issues from U.S. Patent Application Serial No. 10/200,616. This agreement extends to any patent granted on the above-captioned application and shall be binding on its successors or assigns.

**Appl. No.:** 09/991,433  
**Filed:** November 16, 2001

The inventors do not disclaim any terminal part of any patent granted on the above-referenced application prior to the earlier of the expiration date of the full statutory term of any patent that issues from U.S. Patent Application Serial No. 10/200,616, and that of any patent issuing on the above-captioned application in the event that either one later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

Respectfully submitted,
